

PROLOGIC

THERE'S A QUALITY BRAND THAT'S EQUALLY  
AT HOME IN THE HIGH STREET.

Today, when fashion companies go shopping for an IT system, they increasingly choose Prologic. Ted Baker, Hobbs, Jigsaw and East are just a few of the leading names to have chosen our solution.

To understand why, it helps to realise that we have a track-record of over 20 years in supplying successful IT solutions to the fashion and lifestyle industry. As a result, we understand its multi-channel needs better than any other IT supplier in the world, and have an enviable reputation for innovation, reliability and, above all, quality.

The IT Solution for  
Fashion & Lifestyle
